Routine Food

V & J FOODS, INC
BURGER KING
6544 N 76TH ST
MILWAUKEE, WI

9/29/2011

The following list of violations of the Wisconsin Administrative Code as adopted by reference in the Milwaukee Code of Ordinances Chapter 68, and/or other City ordinance(s) must be corrected as soon as possible but not later than the date specified. A re-inspection fee may be assessed if the violation is not corrected by that date. An inspection fee may be charged for any repeat violations.

Code Number	Description of Violation	Correct By
3-302.11	Several containers of ice cream toppings (cookies ect.) are stored uncovered directly next to the handwash sink. Either provide approved covers or relocate containers to prevent contamination from the handwash sink.	9/29/2011
3-501.16	Chicken minis @114-124F. Potentially hazardous food must be held hot at 135 degrees or above. Operator disposed of product.	9/29/2011

5-103.11

Hot water at the front handwash only reaches 78F. Adequate hot water requirements include reaching 85F within 15 minutes of activation. Properly restore hot water.

10/13/2011

Notes:

1. The City of Milwaukee Food Dealers License 2011-2012 is not posted. Contact the City Clerk @ 286-2238 to obtain license. License must be posted and accessible at all times.
2. Several ceiling tiles in the storage room have hanging dust. To prevent contamination clean tiles and maintain clean.
3. The weather strip on the back exit door is failing. Repair/replace to provide a tight seal to prevent pest entry.
4. The door to the outside garbage corral is open; this along with the lids to the containers must remain closed at all times.
5. There is a small leak beneath the sanitize compartment of the 3 compartment sink. This should be repaired to eliminate water accumulation on the floor.
